

2020 has been a very difficult year, especially for those with a mental illness. Make this holiday season a bit brighter for those hospitalized by donating to the

Holiday Gift Drive

November 20 – December 11

MacRostie Art Center (drop-off location Wed.-Sat.)

Sadly, many individuals hospitalized for mental illnesses do not get visitors or gifts, even over the holidays. Help us make the season a little brighter for those hospitalized at Fairview Range Medical Center in Hibbing (34 patients) and at New Leaf Healing Center (6 patients).

Gifts must be **new, unwrapped and safe** (nothing sharp or breakable, no ribbons or strings). Ideas include: stamps, art materials, games, puzzles, air dry clay, DVDs, origami paper, journals (non-spiral), stationary, scrapbooking supplies, crossword puzzles and word finds, Sudoku, books, magazines, cards, cookbooks, small denomination gift cards (bus fares, groceries, home goods), stress ball, scarves, gloves, t-shirts, nice soaps, toiletries (toothbrush, toothpaste, shampoo, deodorant, lotion, body wash), calendars, microwave popcorn, gum, etc. To donate cash, send a check (“NAMI Grand Rapids Area”) to P.O. Box 203, Grand Rapids, MN 55744

Thank you!
